

EZ Grader - Milestone II

Rolandas Burbulis
Advisor: Prof. James Heliotis

Adding Ink Annotations

- Using UIBezierPath
 - On touches began: move to the coordinate touched
 - On touches moved: draw a line from previous coordinate to the current point and update the current annotation using latest UIBezierPath

A photograph of a smartphone screen displaying a document titled "Annotations" with handwritten notes and a diagram. The phone's status bar at the top shows "Verizon", "2:35 PM", and "100%". The document has two sections: "100 points: 100-point questions" and "100 points: 100-point questions". The first section lists four points with handwritten annotations. The second section lists four points with handwritten annotations. At the bottom, there is a diagram showing a hierarchy of points. The phone is held in a person's hand, and the background is blurred.
